2. You will only use your Bonus Balance after first using any Real Balance you have.
3. If you use your Bonus Balance and your bet generates a win, the winning will be added to your bonus balance (unless the bet completes all your wagering requirements in which case, except if the bonus is non-Cashable, the entire remaining bonus balance will be transferred to your real balance).
4. If you make a bet with both Real Money and Bonus Money, any win will be added to your bonus balance.
5. Any bonus or free spins which you are credited (credited directly to your account or via a prize giving mechanism for example Prize Twister) to your account shall be subjected to this Bonus Policy.
6. If the bonus/free spins you were trying to claim do not appear automatically in your player's account, please contact our Customer Support team, prior to placing any bets, and the bonus/free spins shall be credited for you.
7. Unless stated otherwise in the promotion offer bonuses are only available to players who made at least one successful deposit in their accounts.
8. Any winnings accrued playing Free Spins offers will be added to your account as a Bonus.
9. Having an active bonus does not prevent you from withdrawing, however you will have to choose to cancel your entire bonus balance (this includes any winnings you accrued while bonus was active) should you wish to withdraw. If you reverse a withdrawal, bonus cancelled due to your withdrawal request will not be re-added. You may cancel your bonus at any time by contacting customer support.
10. In the rare event that the bonus needs to be re-added after it is cancelled (per company sole discretion), it will be added back with the full wagering conditions regardless of the number of wagering made.
11. If the game advertised in a Free Spins promotion is not available or becomes unavailable for the jurisdiction, or there is a misconfiguration in the advertising which states the wrong game, the Free Spins will be added on a different eligible game. In such situations the number of Free Spins and the value per Free Spin will be the same or equivalent.
12. In the event that a technical misconfiguration, human error or failure of any kind results in the incorrect number or value of free spins or an incorrect Bonus being added to your account, we reserve the right to correct this by removing any winnings received and re-adding the reward with the correct configuration.
13. Any attempt to register multiple accounts to gain bonus money will be deemed as bonus abuse and will result in the account(s) being suspended and the removal of your funds.
14. Individual promotions may have additional terms and conditions which will override or contribute to the terms and conditions here stated. Please carefully check all terms and conditions associated with an offer before taking part. Should the terms and conditions of the individual promotions conflict with the Bonus Policy, the individual promotions terms shall apply.
15. Regardless of the currency that we advertise or display bonus amounts, the bonus will always be credited according to the currency your account is configured to.
16. In accordance with the privacy policy, we regularly send promotional emails with bonus offers. You are only eligible for the bonus if you received the email directly from us. You may unsubscribe from

receiving promotions by contacting customer support. Unless stated otherwise if the last bonus received by a player was a bonus which was not associated with any deposit, a deposit needs to be made first before the player is eligible to use any further bonuses, even if it was marketed to the player. Any breach of this term can result in blocking from future bonuses and/or removing any winnings that might have been the result of the use of any non-Deposit bonus.
23. If you receive a non-Deposit bonus (general no deposit bonus/refer a friend bonus/registration bonus etc') or free spins with no deposit, unless stated otherwise, the maximum amount that you can win or withdraw from it is €100 or two times the bonus amount. 24. A bonus (including the bonus funds credited from Free spins bonus) is also considered as a non-Deposit bonus if your real money balance at the time you were credited the bonus is lower than your most recent deposit.
25. Free spins are spins which take place that do not reduce funds from your bankroll. For the avoidance of doubt, any mention of Free spins in this bonus policy refers to spins that do not reduce money from your bankroll, regardless of what those free spins are marketed as. This does not include free spins which are a triggered feature within a game.
26. If you receive a Claimable Bonus/Free Spins in conjunction with a deposit offer or purchase Free Spins using your Real Money balance, you must claim the Bonus or play with the Free Spins before playing with your available funds (Real Money and Bonus Balance alike). Failure to comply with this may result in any winnings being removed.
27. Players are allowed to play in any game while having an active bonus. Wagering Requirements

33. A bet includes any special bet feature, any gamble function or any other type of wagering activity (regardless of its name).
34. Notwithstanding clause 38, unless stated otherwise in the promotion offer, Bonuses (including winnings from Free Spins) given with a deposit offer carry a wagering requirement of thirty (30) times the total amount, e.g. If you deposit €10 and obtain a €10 bonus, you would have to wager 30 times the aggregate amount, in this case being €20 (deposit + bonus). 35. We have 3 different types of wagering that we apply to our bonuses. Unless otherwise stated the bonus has standard wagering terms. Games that are included within the below wagering groups count towards the wagering requirements of a bonus:
    - **Standard wagering**: bets placed in any game except Slots and Scratch games do not count towards the wagering requirements.
    - **Mixed wagering:** 10% of bets placed in non-Slots or Scratch games count towards your wagering requirements.
    - **Special Mixed wagering**: 50% of bets placed in non-Slots and Scratch games count towards your wagering requirements. Special Mixed wagering is only available on special occasions and to players of certain statuses.
